PLANNING TIPS

Reserve Early: Book 6+ months ahead for summer coast weekends. Use reserveamerica.com (State Parks) or recreation.gov (NPS/USFS).

Best Months: July–Sept for coast & Cascades; May–June or Sept–Oct for eastern Oregon to avoid extreme heat and fire bans.

Fire Bans: Burn restrictions common in central and eastern OR during summer. Always check oregonbsp.com before arrival.

Fees: State park tents ~\$24–36/night; hookups ~\$29–54. NPS fees vary. Annual Oregon Pacific Coast Passport (\$30) covers coast day-use.
